Dear Parents

## Micro:bit After School Club (Computing)

We are starting a new after school club after Easter for Year 5/6 children only!

This club will be run by two of our parents – Dave Lawton (Ida’s dad) and Pete Clough (Arthur’s dad). It is a 6 week course in which the children will get to use micro:bits to create, learn and code. To find out more about micro:bits check out the link below:

The club will take place every Monday for 6 weeks and will be held in school. The club is open to children in **Years 5/6** and the maximum number of children able to attend is **16**. The first session will be held on **Monday 8<sup>th</sup> April**.

The club will start at **3:15** and finish at **4:15**; children are to be picked up from the main entrance.
