

Date: 11th March 2022

Apologies: n/a

MEETING 3:

January date could not go ahead due to Covid absences.

ITEMS for discussion:

1. Red Nose Day & bun sale
2. Climate Change – Lets go Zero
3. Charity / fundraising

1. Red Nose Day

The school will be fundraising for Red Nose Day on Friday 18th March. It has been decided that we will have a dress down day and wear something red. Families will be asked to donate buns that we will sell at playtime in Year 5/6. School Council will look after the cake stalls. Children are to bring a £1 donation for dressing down & 20p to buy a bun. Rowan, Arthur & Sam to make posters to promote the day.

2. Climate Change

Sam suggested that the school join an initiative to lower our carbon footprint. He told us about a website he had seen with his mum

<https://letsgozero.org/>

School Council agreed that this would be a good initiative to join and that we would discuss this in more detail at the next meeting. Sam will bring in a

signed letter to say that we have joined up and then we will be able to talk about what actions we should take as a school and how we will evaluate these actions. Eco Group to monitor too.

3. Charity / Fundraising /awareness

Children asked whether we could do something for Ukraine. I told the children that we would be making some cards with messages of hope, and these would be sent to people (via a school governor) who have been displaced due to the on-going crisis. Some children in Year 5 have also asked whether they can make ribbons in the Ukrainian colours to sell.

Earth Day – Friday 22nd April – To be discussed at next meeting. Children would like to do something to recognise this day.

A.O.B

Camille asked whether we could set up a litter picking day in our local area. Mr Paton said he would investigate this with Calderdale.

Children in Year 3/4 have asked for a sandpit in the backyard.

Children asked what the school would be doing for our belated 150-year anniversary – it was feedback that we would be having an event on the school field in July to celebrate this.

The next meeting is ***Friday 1st April.***
