## MEETING 2:

School Council members all stated that they are enjoying the breadth of the new curriculum and finding the work both interesting and challenging

### **ITEMS for discussion:**

1. Behaviour Policy – decision on House names
2. School improvement (playground)
3. School pet
4. Talent show
5. Charity / fundraising

### **1. Behaviour Policy**

The school council members have come up with six possible suggestions for House names. It was agreed by all that these suggestions would go on a whole school vote (including teachers & support staff).

### **2. School Improvement**

The school council members fed back that the playleader games were working well – overall. There are still issues with tidying of equipment at the end of play which impacts the playleaders on duty that day. They are often getting back to class late. It was agreed that school council would take a greater role in ensuring equipment is tidied away. It was suggested that all children in Key Stage 2 should take some responsibility in helping clear the yard after each morning play & lunch play.

### **3. School Pet**

Sam suggested a getting school pet. Many of the children would like this but after some discussion the school council realised that the upkeep and looking after of said pet would be too difficult in the school holidays and they felt that there would be a chance the pet wouldn't have all its needs met. We decided to think of other things we could possibly do sponsor an animal, adopt an animal or buy some of the Amazon so that we can ensure that areas of the rainforest remain protected.

### **4. Talent Show**

It was agreed that we would run a whole school talent show on Friday 17<sup>th</sup> December. Art & Camille will set up and run the event. A sign-up sheet will be put up in the hallway for children to state what they will be doing and with who. This will start at 9:30 am. Year 5 & 6 will vote on each act and there will be certificates for 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> place.

### **5. Charity / fundraising**

This academic year we will go all out for World Book Day in March. We will have a RED DAY for Comic Relief. Donations will not be required for WBD (it will be a celebration of reading) we will ask for a £1 donation for Red Nose day and we will also hold a cake sale to raise further funds.

**A.O.B**

Art feedback that children would like a basketball hoop in the back playground. We will look at getting a fixed hoop put up by Christmas.

Stronger netting was also asked for over the football pitch so less balls are kicked over and lost.

Sam asked for a school pet – the logistics of this will be discussed at the next meeting.

We agreed that meetings would take place on a Wednesday, every month. The next meeting is ***Friday 21st January.***
